

2018 HUI MAKAAALA 19th Annual Golf Tournament

Formed in 1946 with 60 members, Hui Makaala is an organization whose goal is to promote the Okinawan culture & Uchinanchu Spirit through awarding scholarships to Hawaii's college students who have an interest in and have contributed to the rich tapestry of Okinawan culture.

The name "Hui Makaala" is derived from the Hawaiian language. "Hui" means club, group or association, and "makaala" means ever alert, vigilant and watchful. Together, "Hui Makaala" is an organization ever alert to serve and strive together.

Over the past 60 years Hui Makaala has awarded college scholarships to hundreds of students of various ethnicities. In 2017, the club recognized 9 scholarship recipients with scholarships totalling \$20,000. We could not do this without your support.
