

2009 UCHINANCHU OF THE YEAR

HAWAII SHURI NAHA CLUB

RYAN NAMAKA

The Hawaii Shuri-Naha Club proudly honors Ryan Namaka as its 2009 Uchinanchu of the Year. Ryan, who is Hawaiian-Chinese, typifies many Uchinanchus-at-Heart who have devoted much of their valuable time and energy to their club and HUOA.

Ryan has been married for over 15 years to Cheryl Goya whose parents have been long time members of the club. It wasn't until 2006 when Ryan was introduced to club activities at its annual summer picnic. He decided to join the club to show his family the value of participation and the importance of learning and perpetuating his adopted Okinawan heritage.

When asked to serve as Vice President of the club, Ryan humbly accepted. Under the tutelage of club president Doris Arakaki, Ryan learned the many facets of the club and HUOA by volunteering at the craft fairs, Okinawan Festivals, club picnics and the Senior Fair, as well as attending HUOA Board of Directors meetings. He recently accepted the position of President of the Hawaii Shuri-Naha Club, a role he is most qualified to serve due to his many volunteer experiences and commitments to the club and HUOA.
